

COMMUNITY EMERGENCY VOLUNTEERS

BRIEFING MEETING

MAY 4TH 1100 hrs

RIVER BOURNE COMMUNITY FARM

During an emergency, the Emergency Services are likely to be stretched and unable to answer all of the demands placed on them. Local volunteers can assist the Emergency Services and help the local community to respond to, and recover from, the event.

Laverstock and Ford Parish Council is establishing a team of Community Emergency Volunteers who can assist in an emergency by providing:

Additional staff
Local knowledge
Specialist skill sets

The team is preparing its plans and has started recruiting. A meeting will be held on 4 May at 1100 in the classroom at the Community Farm on Cow Lane. The meeting will expand on the role of the volunteers, explain what has been achieved so far and examine local risks. It is planned that the meeting will finish by 1230 hrs

All registered volunteers are invited to attend and we would welcome attendance by anybody who is interested in joining the team.
