

REPORT PC25.112(1) LHFIG Contributions
AUTHOR Trudi Deane, Deputy Clerk
DATE: 15th July 2025

1. BACKGROUND

A report to councillors regarding contributions to LHFIG schemes

2. SUMMARY

At it's meeting on 15th July 2024, the Parish Council resolved to support a Highways Improvement Request to improve safety at the entrances to Castle Hill Lane and Castle Hill Country Park Car Park in Ford. Whilst the need for a speed limit reduction has not been evidenced by the traffic survey, the Highways Engineer has proposed signage and lining improvements within the area to include 2 x warning signs and 2 x enhanced SLOW markings.

The total cost of the scheme is £2000 with a 25% contribution required from the Parish Council of £500.

At it's meeting on 17th March 2025, the Parish Council resolved to support a Highways Improvement Request for replacement road signs at Vanessa Avenue, Laverstock. One is missing and the other is beyond repair.

The total cost of the scheme is £750 with a 25% contribution required from the Parish Council of £187.50.

3. RECOMMENDATION

That the Parish Council resolves to approve the contribution of £500 to LHFIG Scheme 4b 13-24-21 Warning Signs and Speed Limit reduction, Ford

That the Parish Council resolves to approve the contribution of £187.50 to LHFIG Scheme 4e Vanessa Avenue Street Signs, Laverstock
