

1. BACKGROUND

The Parish Council has the opportunity to review Highways Improvement Requests HIF received. The Parish Council should consider whether they support the details of the request before sending the request to Southern Local Highways and Footpath Improvement Group LHFIG. The Parish Council are expected to contribute 25% of any approved schemes.

2. SUMMARY

Two HIF requests have been received since the last meeting which are attached Annex One and Annex Two. The residents have been invited to attend and answer and questions councillors may have.

3. RECOMMENDATION

That councillors consider whether to support the Highways Improvement Requests received.

Issue Details

Location of Issue: (please add a location plan where possible)	Boundary road
Community Area:	Southern Wiltshire 
Parish or Town Council:	Laverstock & Ford Parish
Nature of Issue: (Max 600 characters) Boundary Road is steep hill and is hazard for all off as who lives there the cars parked on side the road and make difficult to pass through with not enough visibility. Often people meet in as they turn to go through road and make difficult to pass through. And is other road just coming up from duck lane park Laine there is hazard is well cars parked in pavement and make difficult to pass through	
How long has it been an issue?	Long time don't know exactly
What would you like done to resolve this issue? (Max 600 characters) I would like in this roads to put there red line no parking any time that way we hope to keep are neighbours safe and hopefully cars not being parked in pavement	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes ▼

Issue Details

Location of Issue:	St Thomas Bridge Roundabout junction A30/A338
Community Area:	Southern Wiltshire
Parish or Town Council:	Laverstock and Ford Parish Council
Nature of Issue:	
Improvement/planting on roundabout to create wildlife haven and a more welcoming impression at major 'gateway' into Salisbury. Currently there is a very bleak, neglected tarmac roundabout greeting visitors to our city on a main trunk road from London/South of England. It doesn't create a favourable or welcoming impression of our beautiful city.	
How long has it been an issue?	Ongoing for many years
What would you like done to resolve this issue?	
I suggest wildlife friendly evergreen low maintenance container planting which would restrict growth, and therefore ensure good visibility for traffic safety, but create and soften a very industrial looking roundabout. Hebe, holly, skimmia, choisya, mahonia are all hardy, low maintenance and beneficial to birds and insects.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Choose an item.
